

Utenti oggetto di interruzione
all'interno del perimetro rosso

An aerial photograph of a residential neighborhood with a red boundary line. The boundary line is irregular and follows a path through the streets. It starts near the top left, goes down along a street, then turns right and follows a street that runs horizontally across the middle. It then turns left and follows a street that runs vertically on the left side. The area inside the boundary is mostly residential with houses and some trees. There are three labels for streets: 'V. Moro' at the top, 'V. Garibaldi' in the middle, and 'V. D'Azeglio' at the bottom. A text box in the top left corner says 'Utenti oggetto di interruzione all'interno del perimetro rosso'.

V. Moro

V. Garibaldi

V. D'Azeglio
